

1- Model

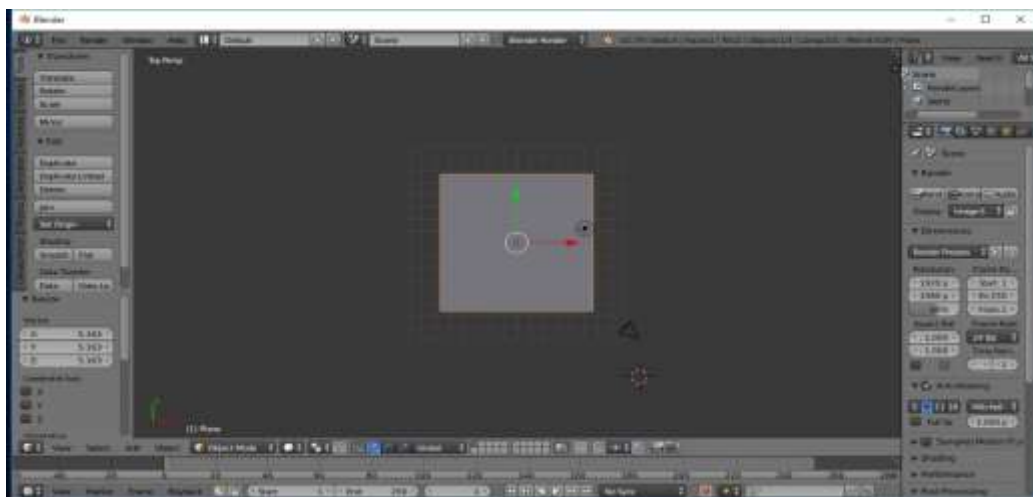

I designed my previous home it has destroyed by the war in 2003 when I had 10 years old, it contains 2 floors, 3 rooms, a kitchen, 2 salons, 2 room services, 9 windows, 2 stairs, 1 big door of outside, 12 doors of inside.

It so similar my design:

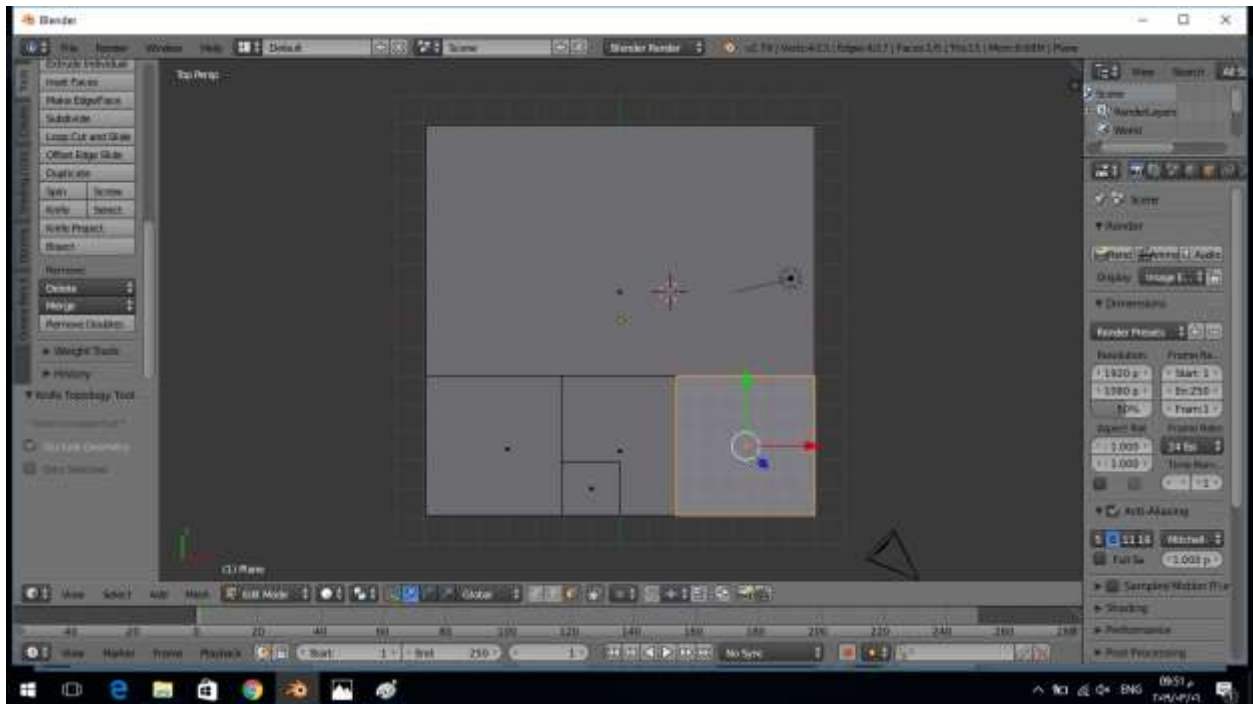

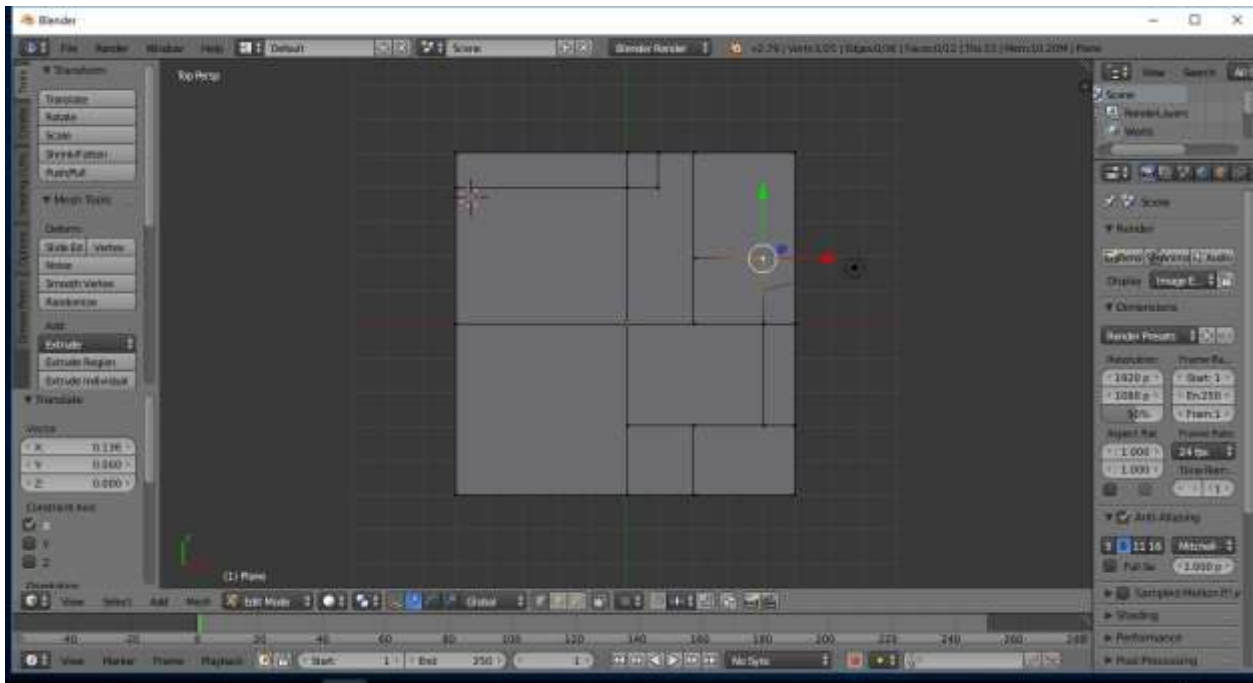

2- The working

a- I used the plane to design

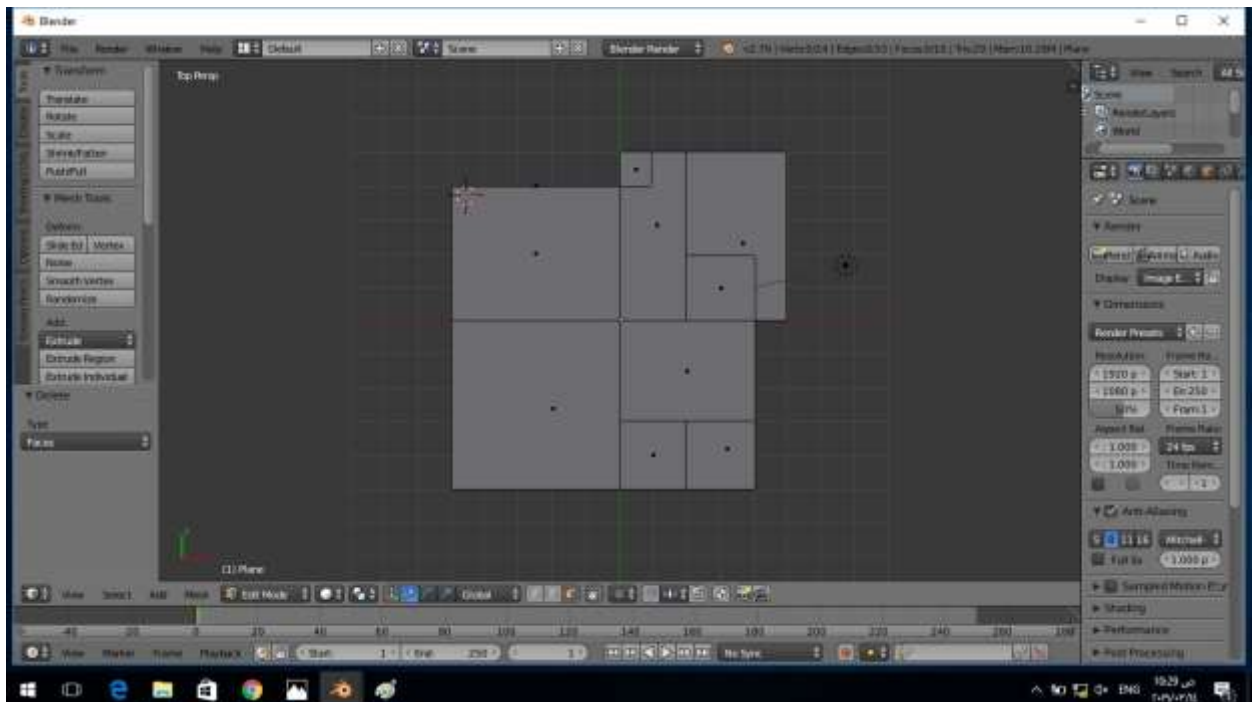

b- With a knife I separated the rooms and salons Etc.

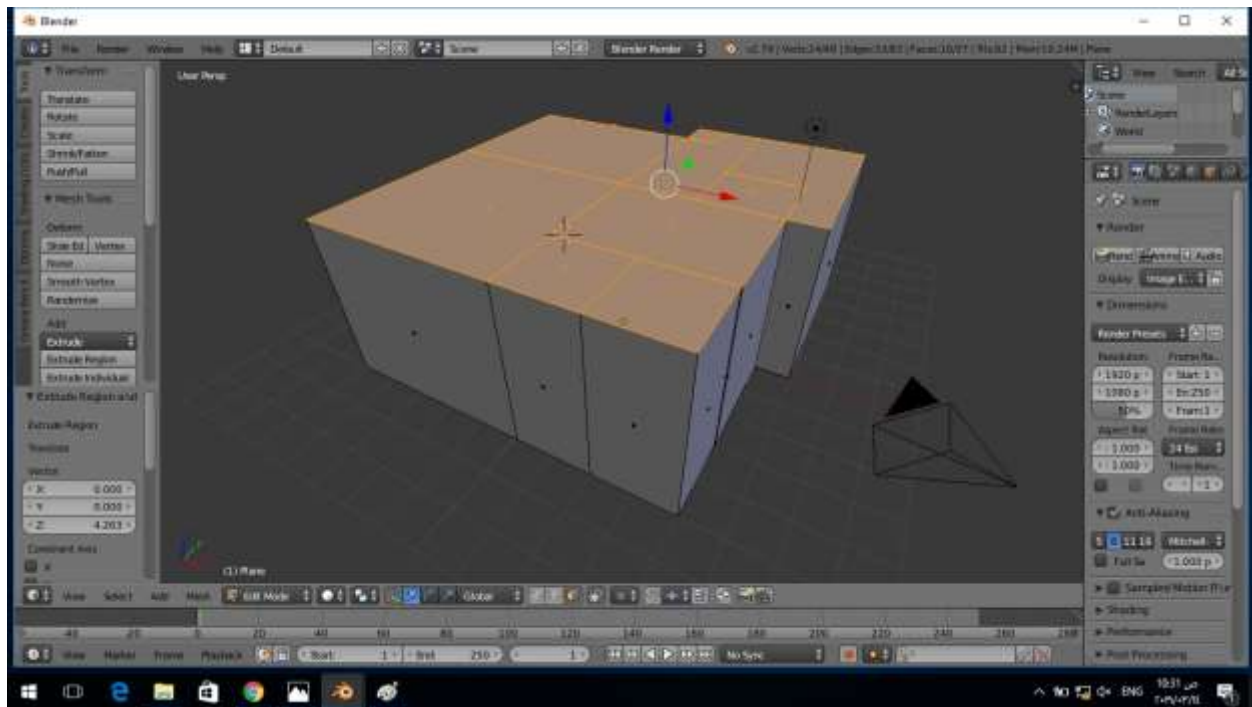

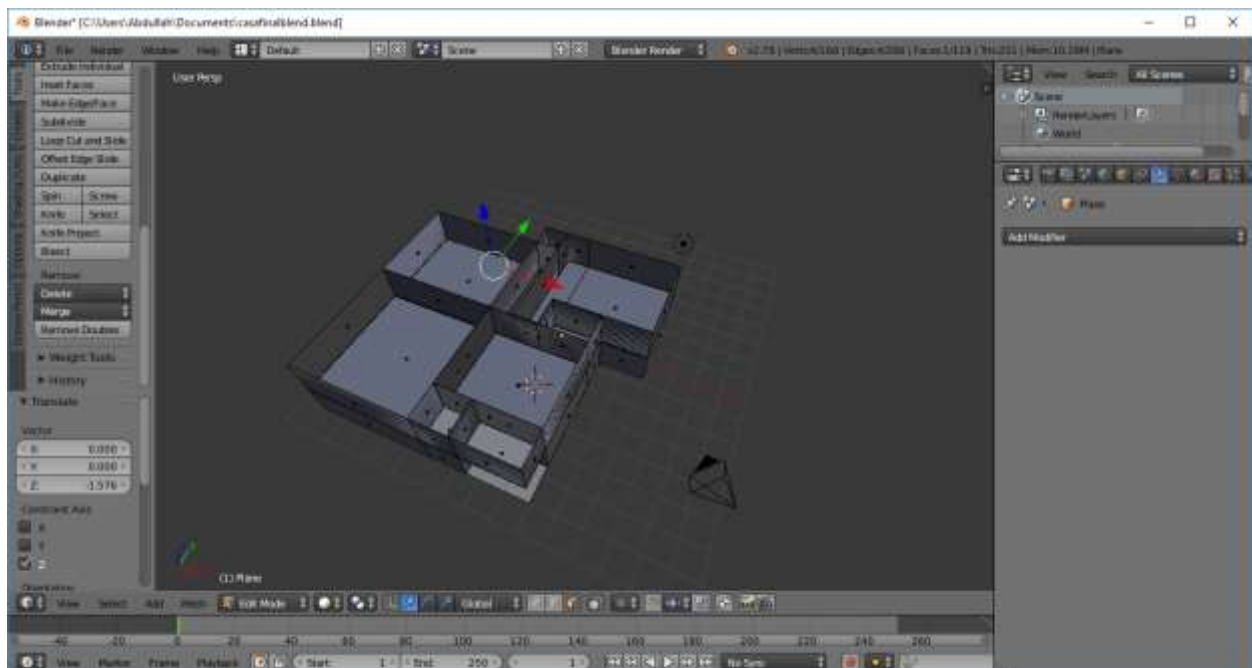

c- Delete faces that I did not need it:

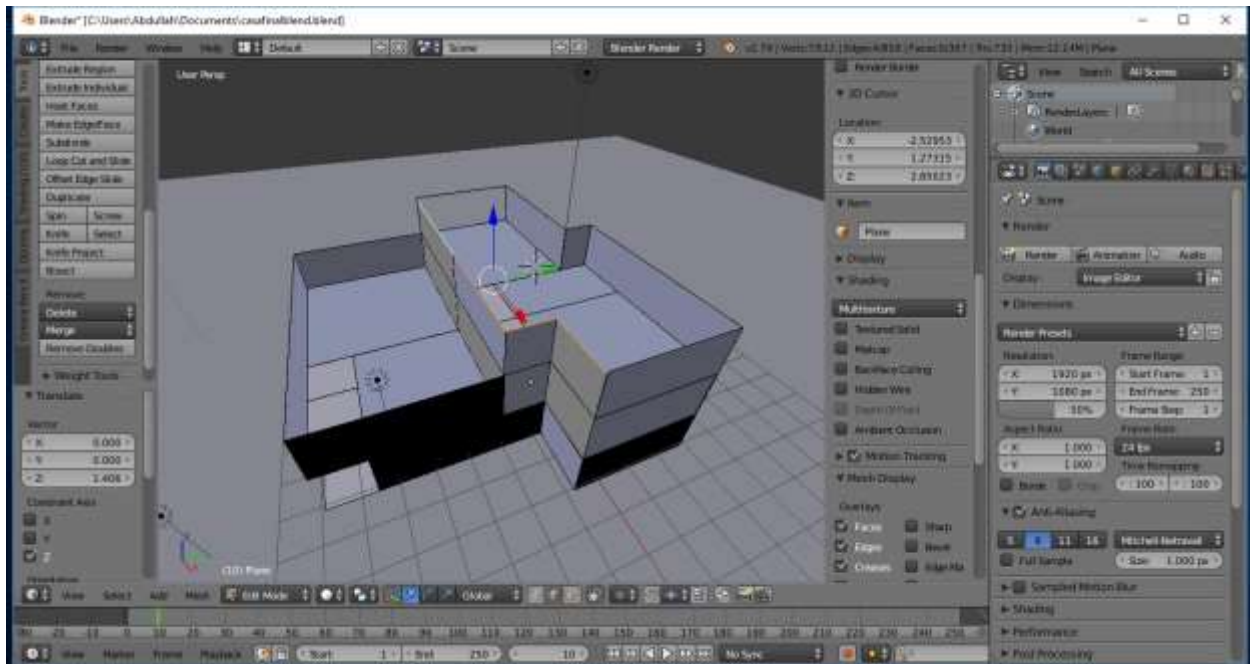

d- Doing duplicate for making second floor:

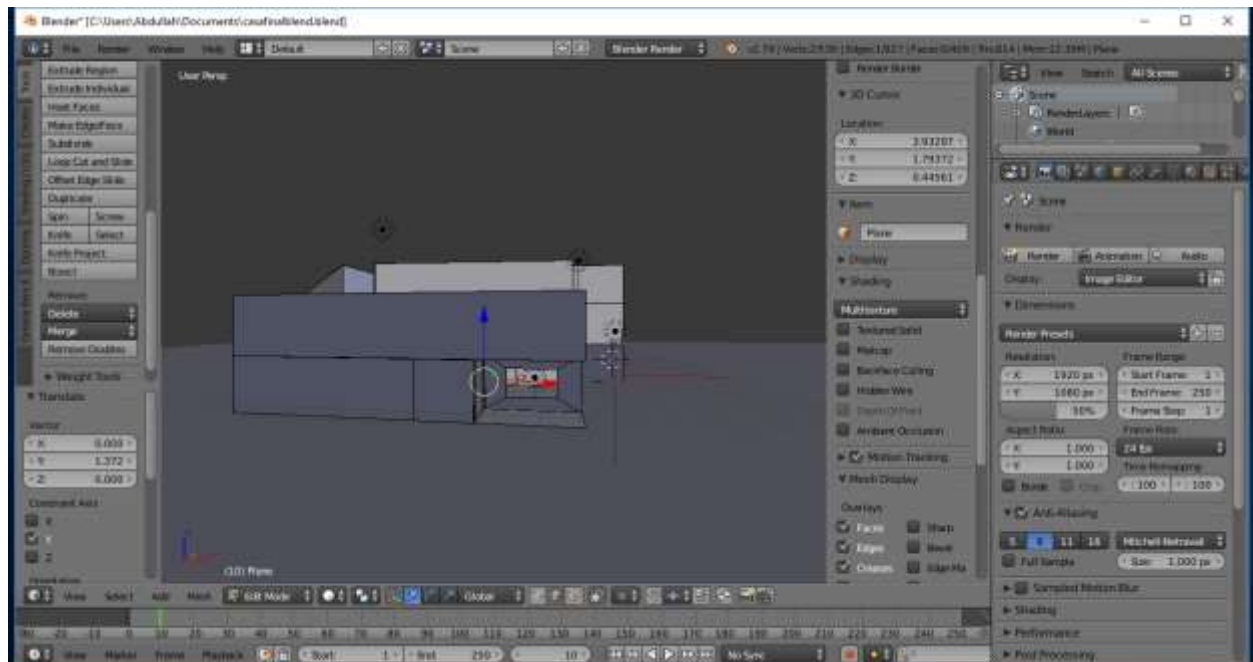

e- Delete faces that I did not need it:

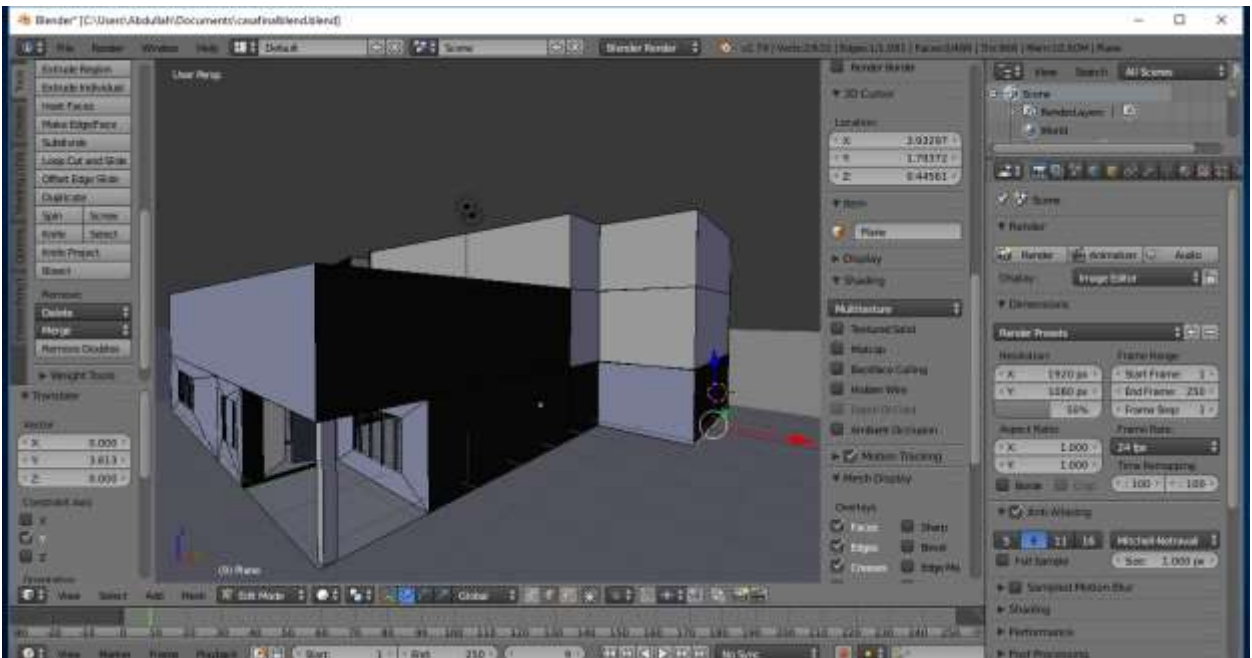

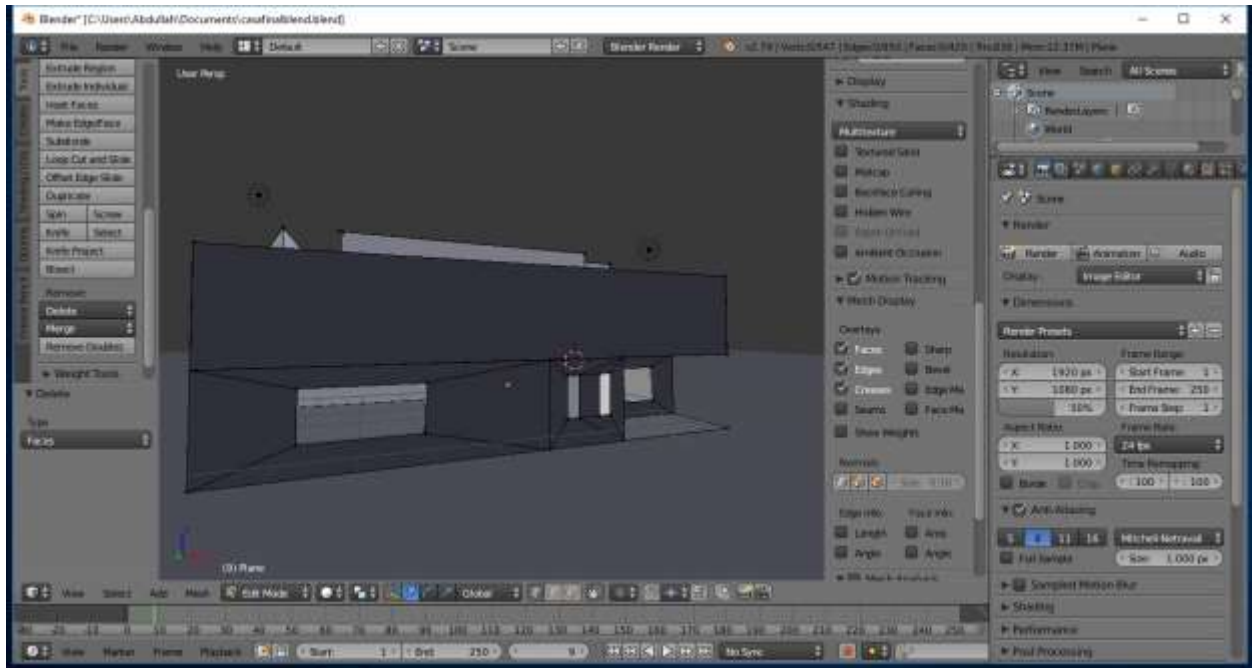

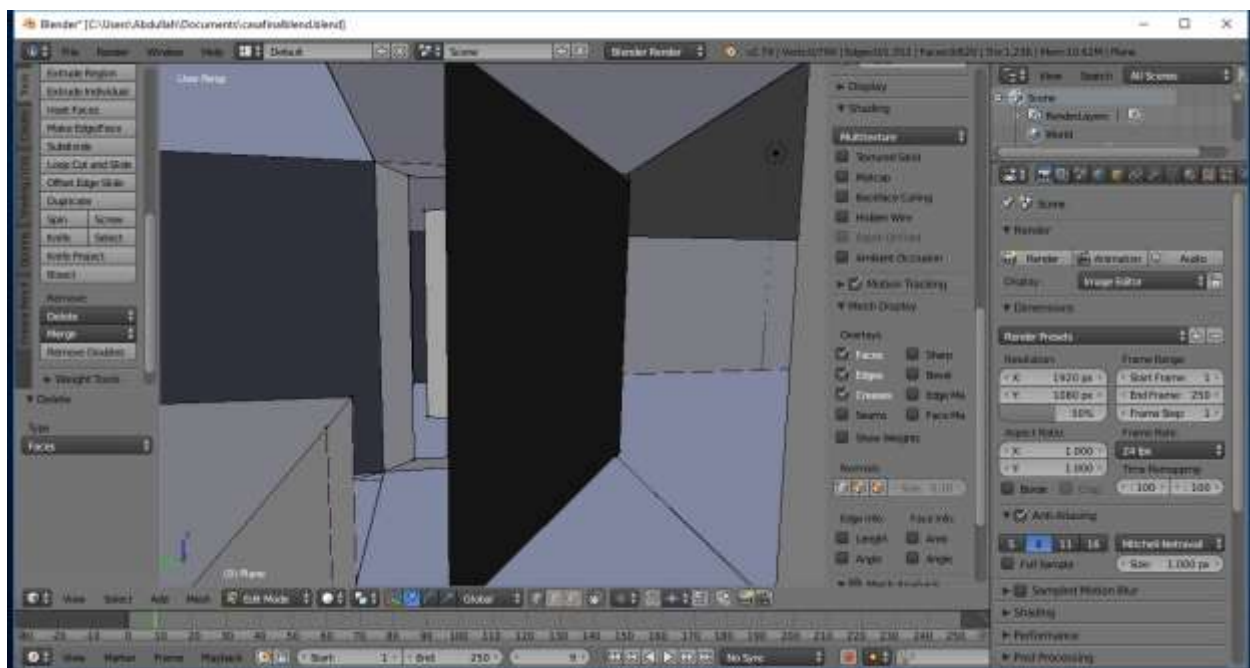

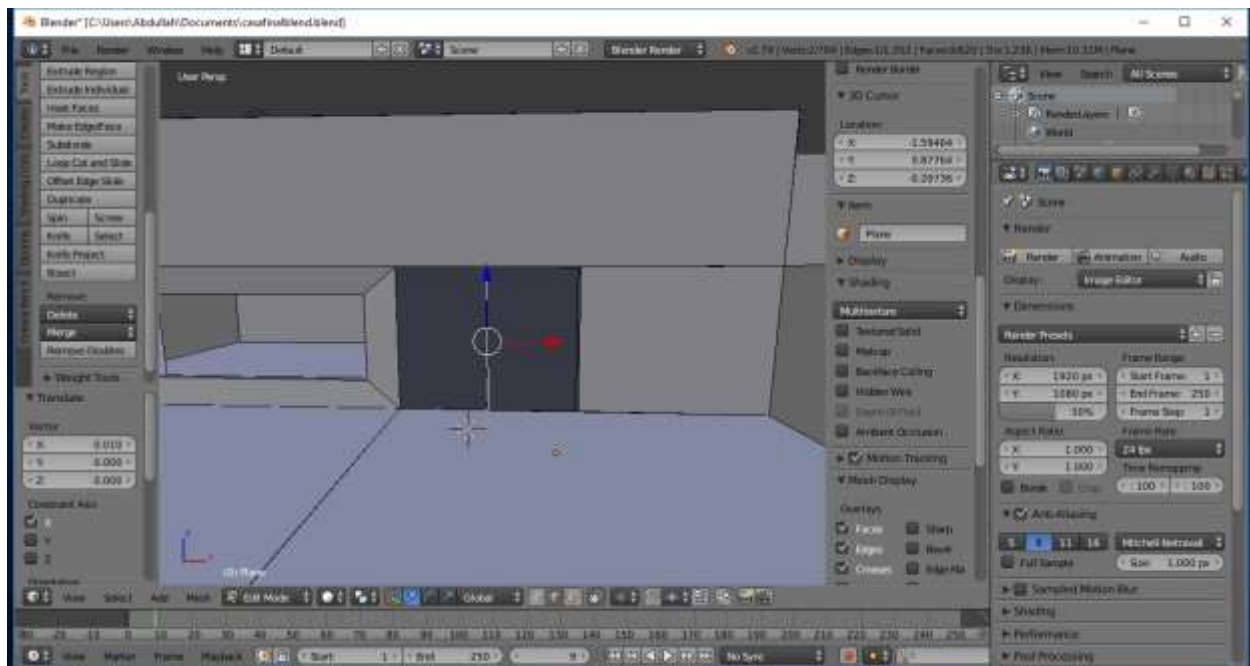

f- Edit second floor to make it like that:

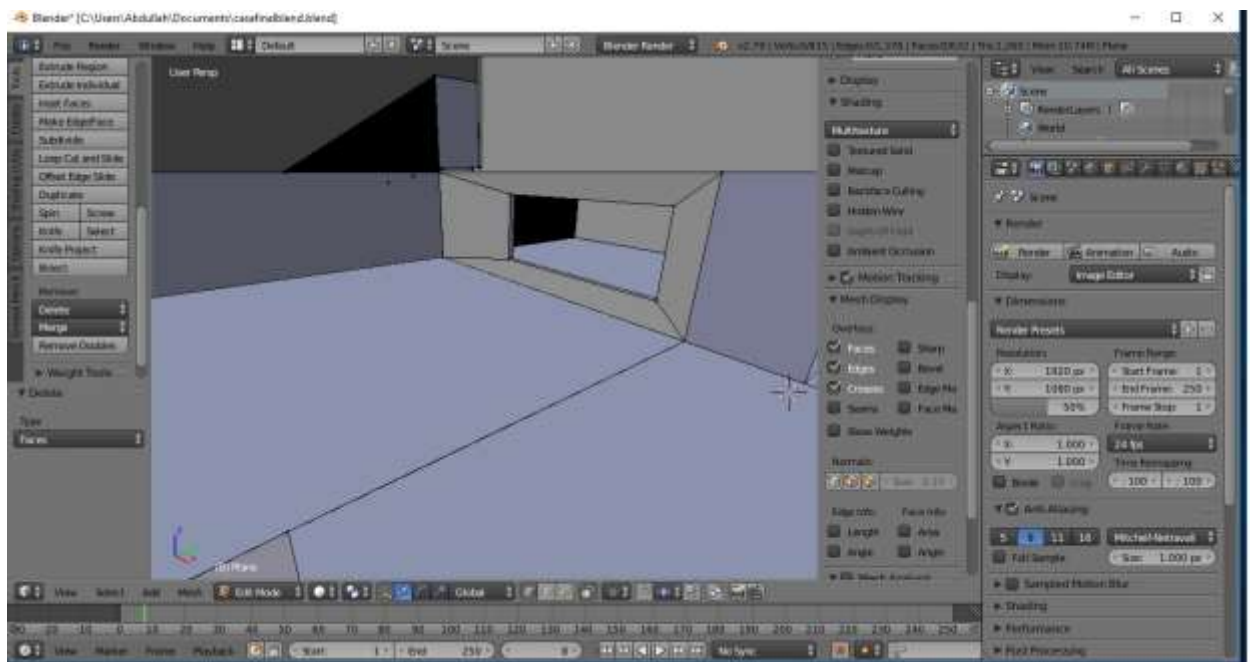

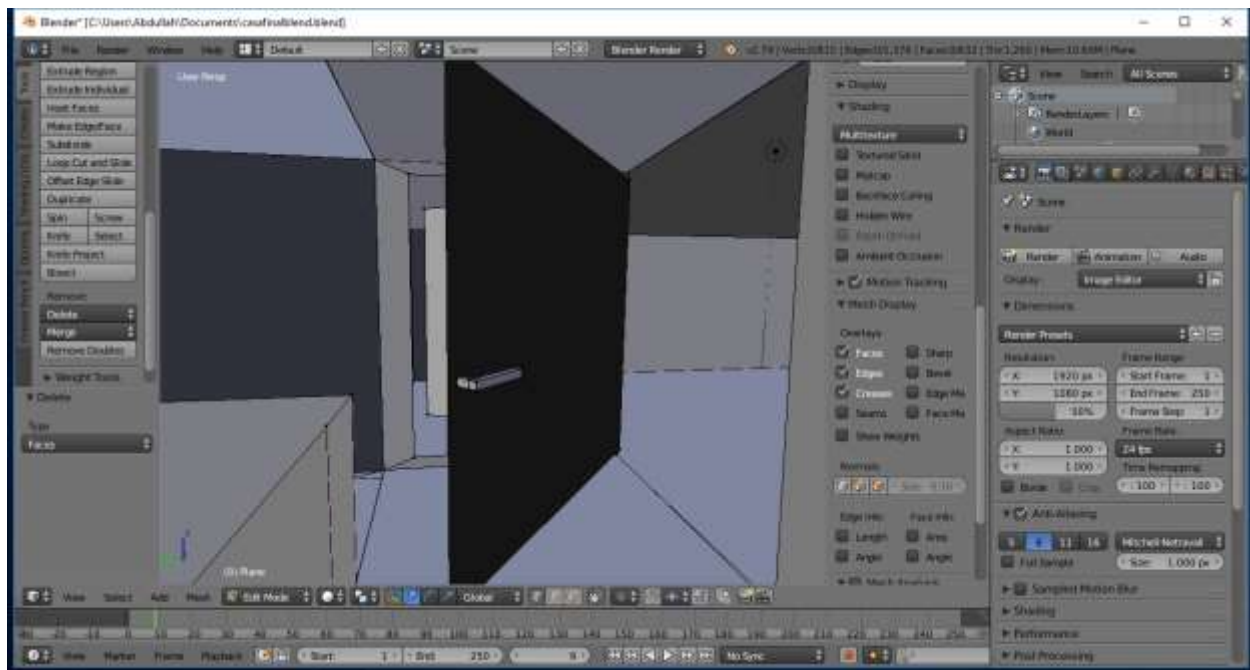

g- Making doors and windows :

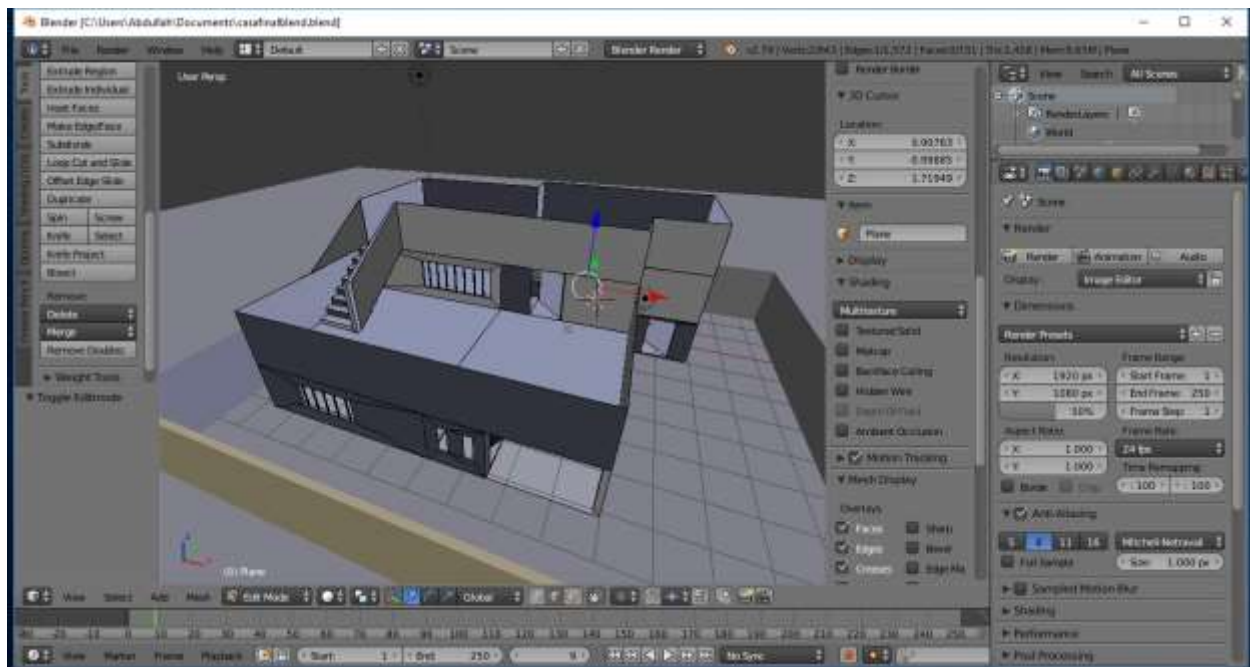

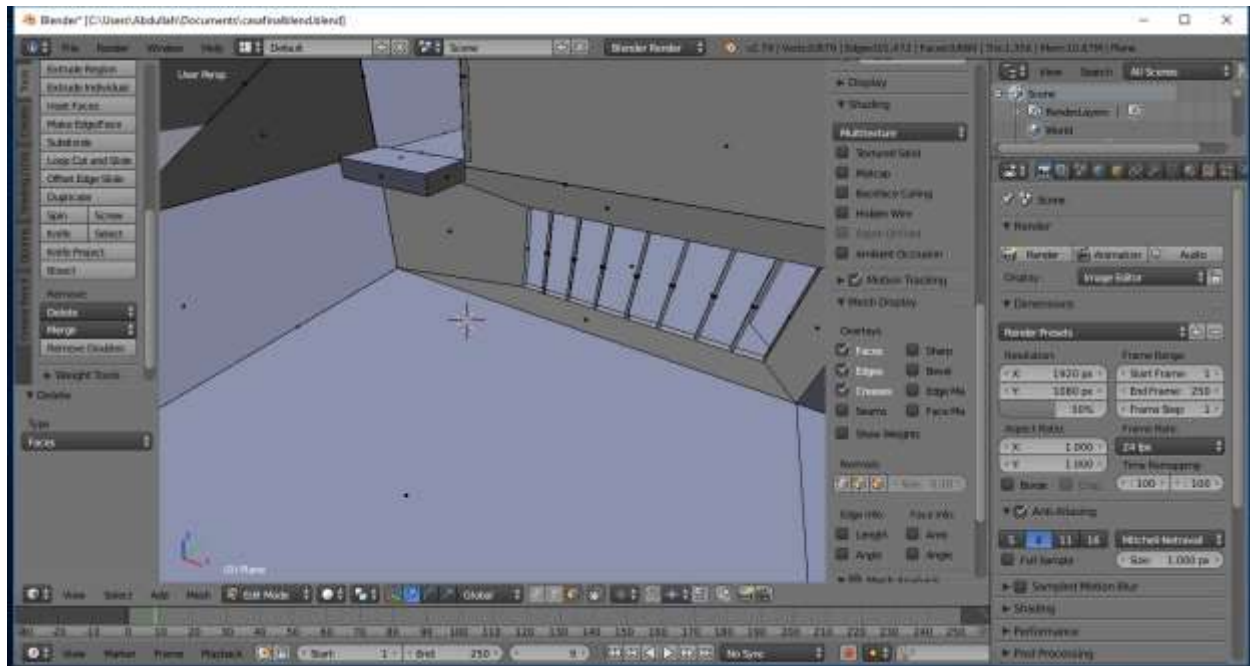

h- Add stairs

Finally
